Director's Corner

As we look forward to the month of June, I'd like to highlight a few important dates and announcements

for our community. Father's Day is coming up on June 16th, and it's a wonderful opportunity to celebrate and honor the fathers and father figures who have made a significant impact on our lives. Let's take this day to express our gratitude and appreciation for all they do.

Starting June 4th, our Senior Project Fresh coupons will be available for pick-up at the MCCOA office. These coupons provide valuable support for our seniors, allowing them access to fresh and healthy food options. Please make sure to stop by and collect your coupons, by appointment only. Please call the office at 989-785-2580.

On a bittersweet note, we will be saying goodbye to Susan Takash, who is retiring from MCCOA. Susan has been a cherished member of our team, known for her smile, helpfulness, and sense of humor. She will be moving up north to enjoy her retirement, and while we will miss her dearly, we wish her all the best in this new chapter of her life.

COMING SOON! Fresh Produce "Pop-Up Markets"

In an effort to bring fresh, healthy, local and Michigan grown produce directly to our seniors, senior pop-up produce markets will be held weekly on Tuesdays in the senior center parking lots beginning June 25th. Seniors and the general public can purchase fresh produce using cash, check, credit cards, Bridge cards or Senior Project Fresh coupons.

Each Pop-Up Market will be open for approximately two hours, one day per week. The schedule is being finalized, but through-out the growing season Allen's Produce, LLC will have a variety of fruits and vegetables available for purchase. Early in the season, some quantities will be limited but they anticipate having early squash, strawberries and cherries available in June, with the product list expanding to include cucumbers, onions, green beans, corn, tomatoes, peppers, herbs, cabbage, peaches, blueberries, cauliflower, eggplant and much, much more as the growing season progresses through mid October.

Allen's Produce is a family owned and operated farm in Rose City that takes pride in fresh, locally grown produce for their customers. Some early season products are sourced from farms in southern and NW Michigan, but the majority of the produce will be grown within 10 miles of Ogemaw County residents! This means that the produce will be fresher, taste better, last longer and the dollars spent will help grow our local economy.

For questions and more information, contact Steve Wright, Healthy Food Coordinator, healthyfoodnemi@gmail.com or call 989-464-5556.

This initiative is funded in part by Americana Foundation and coordinated by the Healthy NEMI Food Project team who envision a region where local food and farming are an avenue for wealth creation and economic development; where healthy, fresh food is available to all residents in convenient, affordable, and accessible ways; and where farmers are connected to communities.
