

HOW DO I VOLUNTEER?

There are many ways that you can help the senior citizens of Montmorency County to make a difference in their lives. If you love seniors and giving back to your community we would love to hear from you!

We are always looking for caring individuals to assist us with:

- Medical transportation
- Assistance with the Pet Grant Program
- Telephone reassurance calls to our homebound seniors
- Working with the congregate (dine-in) program to assist in registration and greeting our guests
- Helping in the kitchen
- Serving as a back-up home delivered meal driver
- Assisting with our mobile food pantries and food distributions
- Working to provide minor chore services to homebound clients
- Helping to plan activities and events and other fun things to do
- Or many other volunteer opportunities that are available.

If you would like to offer your services or have questions on how you can help, please call Anna Rogers at (989) 785-2580, stop into the MCCOA office or e-mail to arogers@montmorencycoa.org

Thank you!
